Color LCD Touch Screen Control Panel

7" Newly Designed color LCD touch screen control panel makes operatability easier and faster.
A stylus is equipped as standard, and USB mouse for PC Can be used.
10.4" screen is also available as option for better visibility and operatability.

LOWER4

Make a happy smile

Front LED Light

A bright LED light illuminates the work area bright.

Narrow Cylinder Arm

Reducing dimension of cylinder arm improves ability to embroider on difficult area, like pocket, sleeve, legs, children's wear ...

Thread Control System

The thread break sensor and the thread tension control unit are combined which gives more stability to the upper thread control.

The independent thread take-up spring improves the quality of sewing.

Standard Features and Functions

- Color LCD Touch Screen Control Panel
- Happy Link/LAN Software
- Automatic Color Change
- USB/LAN Port for PC Connection
- USB Port for USB Memory key/Mouse
- Frame Offset Function
- Auto Origin Function
- Built-in Help Function
- Frame Trace Function
- Automatic Short Stitch Removal
- Icon Free Positioning
- Multilingual Operation
- Low Noise Operation
- Compact Body Size
